Landowners
Pictou and Colchester Counties

Dear Landowners,

Dalhousie Mountain Snowmobile Club would like to take this opportunity to say thank you to our incredible landowners that allow us to use their property for seasonal snowmobile use.

We recommend all landowners to sign the Snowmobile Association of NS (SANS) Trail Land Use Permission Memorandum of Understanding. This will ensure we are all protected through the SANS \$5 Million Liability Insurance Policy should any incidents occur on your land while the trails are in use.

SANS and the DMSC appreciate the gracious land owners that volunteer their lands for snowmobile trails. Through our mutual cooperation the DMSC will always strive to maintain and improve the trails throughout our trail system. We have adopted a Trail Strategy to ensure the responsible and environmentally sound use of lands throughout our area and the province.

It is our commitment to you that the members of the DMSC and SANS will always honor the privilege of using your lands. We will watch your lands while using the trails and report anything out of the ordinary. If you ever see anything that may endanger or harm your lands, please do not hesitate to report it to us. Although, we cannot always anticipate the irresponsible or unlawful use of the trails it is our hope that we may act as guardians to help prevent any threat to your lands.

Again, thank you for your cooperation and we welcome you as an important partner to the organized sport of snowmobiling in Nova Scotia.

Sincerely,

Reg Crewe
President, DMSC
